Guilds

----

Area52-Toast: Want to pursue 2-day raiding again and in a 8 healer rotation that's not conducive to raiding time.

Bloodhoof-DarkTwilight: Guild stopped mythic raiding in BFA. During Legion, raiders also didn't respect each other's times by posting absences 30 mins before raid resulting in many cancelled raid nights.

(Turalyon) Impetus: GM quit and leadership quit.

(Proudmoore) DontLaughAtMyGiraffe: Work Schedule changed that didn't work with this team anymore.

(Stormrage) Atlas: Work schedule did not align with this guild at the time i left.

(Stormrage) Boundless Gaming: 90% of guildies left 1/31/16 due to toxic environment permeated.

(Stormrage) No Responsibility: Guild disbanded before opening of NH as the officers joined a higher realm ranked guild and did not have the capacity to recruit for more.

(Area 52) Warsong Boys: Played core dps for this guild and just wanted to pursue healing again.

Why do you want to join Potent? What sets you apart from other players? \*

Feel free to brag as much as you want. If you're good at something, tell us.

Competitive raiding in a reduced 2-day schedule.

Raider that believes that Mechanics first as that's what gets bosses killed. Padlording dps/hps isn't important in the beginning at all since a dead raid team won't register the raider on the rankings. Loot isn't a big deal since there's m+ to help augment spots that are missing. Definitely understand that loot should go towards typically dps first for the guild to progress as an overall whole. Keep up to date with class as a whole by regularly participating and following [peakofserenity.com](http://peakofserenity.com) & monk discord server Regular check logs against [wowanalyzer.com](http://wowanalyzer.com) and the top other mw parses to see what talents and azerite choices they are using.

Open to playing either Windwalker or Mistweaver as the raid group sees the higher need for either spec. Always early to raids (with gems/enchants/consumables/coins) and will give 1-2 week notice if there are any upcoming absences. Can take constructive criticism. I start off a little quieter and listen first to acclimate myself, but will talk more once I'm comfortable and always friendly.
