Frig off and Hunters of sylvanis. I left both of these guilds due to lack of progression, no effort and also attendance was always an issue.

Why do you want to join Potent? What sets you apart from other players? *

Feel free to brag as much as you want. If you're good at something, tell us.

I think from what I've seen personally that sets me apart from other players is the input I bring to the group with the knowledge I've gained of exp or just by watching the fights and reading up on what can go wrong and how to get past something as a group. Also my dedication as a player to improve myself and help those around me improve.

How did you hear about Potent? *

Tell us a little about yourself. *

Im a husband and a father of a son that is 11 months old, I work a full time job and my wife is loving enough to give me the time I want and somewhat need to relax and play this game at my leisure. I'm a pretty serious person when it comes to raiding and life in general, time is important and how I choose to use or waste it is my choice but that means I can make my own decisions on where to put my time. So I hope with this app I have no wasted any of yours or my time. I hope to hear from you soon!!
