Outline your relevant raiding experience, including the guilds you were in previously and why you left them. *

In legion i was the GM of <The Transcendant> in malganis, a guild of friends that ended up disbanding towards the end of Nighthold.

Then I joined clean kills as a merger with the people that were left after nighthold Prog.

Most of the people that made clean kills also quit and we disbanded the guild and a few of us joined No Bads Allowed towards the end of of the tier (and we start pushing ranks for best 2 night raiding guild)

Towards the end of antorus i graduated college and had to travel, so I stopped playing world of warcraft for a while.

When i got back i rejoined No Bads Allowed which has been in a state of chaos for the past 5 months of which we almost never had 20 man roster to raid together. At this point i started losing hope in rebuilding NBA and believe it's time for me to move on

What resources do you use to keep up with your class? *

I review good logs (not only top logs but also logs of players I know are good in the class). I also use the class discord to research any changes or potential ways to optimize my game play.

Provide a screenshot of your UI in a raid environment. *

Why do you want to join Potent? What sets you apart from other players? *

Feel free to brag as much as you want. If you're good at something, tell us.

As a previous GM and also raid leader, I made it a habit to research fights very thoroughly, to understand what needs to be done and how it should be done.

I never really cared about getting the top parse or making sure that all my parses are orange, my main objective in every raid is to kill the boss and have fun (not that I don't care about my DPS as I strive to always be on top, but the main goal is to basically not be a whore or an inconvenience in the raid to get that extra dps).

I also have a Warlock that is semi mythic ready, just needs a little bit of work if you guys want a warlock instead of my mage.

I want to join a stable, established guild that has been raiding on a fairly high level for a while instead of trying to build a new guild. I've had my fair share of being a GM and trying to rebuild guilds, I really just want to be a raider and enjoy my time.

I believe that potent has all of that and more to offer, which is why I hope to trial in your guild and prove myself to be a core raider.

How did you hear about Potent? *

I was mainly looking for 2 night weekend raiding guilds (the same time as my previous guild raided) I also recognize some of the names of raiders in your guilds, some i raided with and some i was the GM of (fallency, riddles, and cremegirl <--- who raided with me in The transcendent

Tell us a little about yourself. *
