Outline your relevant raiding experience, including the guilds you were in previously and why you left them. *

Every tier I have raided in, I have always maintained cutting edge. I have played on and off since vanilla. I have played a multitude of classes ranging from Rogue, Mage, Lock, Druid and now Monk. Other than my current character, my other character from last xpac was Doomkinxd which I played Boomy on.

Karma, lacking structure, guild activity and a multitude of other things. They have downgraded in players they are recruiting, which drops the competitive level and interest in efficiency. Nobody takes responsibility for mistakes, communication lacks in raid and healer cooldowns are pretty reckless.

Rum Ham, I trialed with them for a day and couldn't take the random screaming in discord while raiding, which had nothing to do with the raid. When I asked the gm what healer cd's were, since none were provided in ert notes, he replied to me with just use them when you think is a good time. Which led to us wiping multiple times on 3 "farm" bosses. So the lack of communication and structure was what I was trying to get away from with my other guild, and fell into a similar, if not worse, situation.

Why do you want to join Potent? What sets you apart from other players? *

Feel free to brag as much as you want. If you're good at something, tell us.

After reviewing logs and a little bit of digging, I was able to determine you guys are well structured and efficient. Which is what I'm looking for in a 2 day guild. I am a competitive player who welcomes constructive criticism, likes to have fun but more serious when raid time rolls around and I will always look for avenues to improve my playstyle and chemistry with the guild. What separates me from a lot of other 2 day raiders is my dedication to efficiently raid within the scheduled raid times, actively playing the game and applying my healer cooldowns where it benefits the guild the most. (Obviously will do what I am assigned to do, but if I feel there is a better timing for a cd I don't have a problem recommending just that. If recommendations are welcomed.)

How did you hear about Potent? *

Tell us a little about yourself. *

I'm 25 years old, my name is Ray and I live in sunny California. I like to snowboard, try new food and experience new things with my girlfriend. I am currently working and going to school (which will never conflict with raid schedule). I work for the government as an HVAC Technician and take pride in the work I am able to do for the state. I've played wow on and off since vanilla, and I absolutely love to push keys!! I get along with just about anyone, I can joke around and have fun but also be serious when raid hours come around. I hope you give me the opportunity to show you guys some big healing numbers and helping finish this tier and go into next tier even stronger. Thank you for your time and consideration, hope to hear from you soon.
