## Outline your relevant raiding experience, including the guilds you were in previously and why you left them. \*

Seraph - Mal'Ganis (MEWTWONY) : Got my start raiding with Seraph midway through BRF in WoD, quickly climbed through their teams (as they had many raid teams inside the guild). Raided there weekdays and on a weekend team aswell.

Monster - Mal'Ganis : Got recruited to join this guild at the end of WoD after finishing pretty well ranking wise for my class on the server. Started Legion here and stayed till 3/4 of the way through NH when there was a leadership change.

Rebuff for Confidence - Malganis : Had a friend in this guild that allowed me to come raid when changes happened in Monster, finished NH here and started ToS off really strong as a guild getting a decent US rank up to Mistress, where the guild fell apart from burn out.

MEWTWONY - Malganis : Continued to raid here on the weekends the entire time I was with the previous guilds mentioned, brought my main toon ( mage at the time ) to this guild to secure some parses to find myself a new week day team. ( Rebuff for Confidence private logged )

Parse Culture - Tichondrius : Joined these guys near the end of ToS, achieved US 24 KJ kill and made raider. And continued to farm content after KJ kill, was present for the start of antorus and a few Mythic kills but due to real life job hours changing it forced me to step back from extremely late night weekday raiding.

Monster - Mal'Ganis : Ended up back where I started Legion, and have been here since enjoying the game. Do not plan on leaving just looking for a weekend team again.

Why do you want to join Potent? What sets you apart from other players? \*

Feel free to brag as much as you want. If you're good at something, tell us.

Been itching to get back into weekend raiding ever since my old weekend guild fell apart. Now with the rush of the start of the xpac over im looking to find a home. What sets me apart from others players is that I have the benefit of seeing the fights before hand on my other character which provides a huge boost to my overall performance and knowledge on things I need to do to help get kills. Damage is nice but theres people who need to do heavy mechanic carrying to get things done and I don't find a problem being that person, did it through most of Antorus and was still able to perform.

How did you hear about Potent? \*
