Outline your relevant raiding experience, including the guilds you were in previously and why you left them. *

Convicted-/Lethon-during BC-Raider- guild basically dried up by the time Wrath came out.

Requiem-Stormscale-T7/8 25m-Raider- guild died during Ulduar due to roster issues.

Uprising-Stormscale-T9/10 10m-Officer- guild died to roster issues.

Sapere Aude-Stormscale-T10 25m-Raider- guild left due to new job with conflicting hours.

I pugged most of T11 and didn't find a guild until T12. I transferred to Tichondrius to arena.

Empyrean and Metal Engaged-Tichondrius-T12/T13 10m-Raider- guilds died to roster issues.

Misery Business-Blackrock-T13 10m-Officer/Raid Leader- Finished the tier on my alt DK and the guild quit at the end of the tier

Fixed-Blackrock-T13 25m-Raider- I raided with them on my main dk. They took a month hiatus and I figured I wouldn't make their 10m roster. Was later told I would have... sad panda.

Define-Blackrock-T14 10/25m-Officer- left for greener pastures as the guild had a lot of dysfunction and I was just not happy.

Yak Pak-Blackrock-T14/15-Officer/Raid Leader- 10m guild died due to roster issues.

Severed Ties-Dragonblight- T15 25m-Raider- guild I left due to being very toxic and negative environment.

Outlandish/Velen-T15/16 25m guild I did like this guild but I left in the middle of SoO to raid with friends in my friends guild Stacks

Stacks in Fire/Attrition-Blackrock/Zul'jin T16/T21 I was the RL/GM from Siege til ABT when I stepped down after getting a new job. New job came with new hours so I found a new guild.

Handicap Hangtime-Aerie Peak-T21 I was only with this guild for a few weeks. They are alliance and my two pals I raid with now were horde as well as everyone I used to run M+ with so I swapped back horde and joined my current guild.

Resistance-Hyjal-Current guild which the progression isn't consistent. The people are cool but the raid just isn't where we would like it to be progression wise.

What resources do you use to keep up with your class? *

Noxxic first and foremost... JK! For my class I use the DK discord. I've been using Maxweii Google doc/discord. I keep track of a few top dk's. I am watching Shenroh from might atm. I watch dk streams as well. One of my closest friends is an UH dk and we also chat and try to help each other out as well as compete.

Raid research I watch videos. I watch fatboss and streams like Slood and cherryvodka. I have been able to do PTR the last 3 tiers and alpha/beta testing for legion and BFA raids. "I've leveled 3 dk's and 2 DH on beta. I use the wowhead guides by Method for written reference as well."

Why do you want to join Potent? What sets you apart from other players? *

Feel free to brag as much as you want. If you're good at something, tell us.

Your guilds progression is amazing for the hours/days you raid. I like to raid on my days off which you guys do. Not too hardcore but well enough to beat out guilds that probably raid twice as much. I am hoping to find a home. Being with the same guild the last five years was fun. I want to find another home and a stable guild. Your has been around a while and that appeals to me. I am just a chill dude who works, plays wow on his time off with his pals. I always make raid and enjoy being there. M+ is fun and I tank for my buddies so always looking to run with new peeps and guildies. Thank you for your time and hope to hear from you!

I am very competitive. Sitting out is not something I have had to do the past five years. I would always want to be in, I play to raid. Yet when I was the leader I have had to sit people because of mistakes or certain classes performing better or worse. With that in mind I am completely fine sitting when need be. I am more about the guild progressing then myself. Same goes with gear. I will sit out on bosses I don't necessarily need gear from. I would always rather see the guild do well over my own sake.

I was the RL/GM of Stacks/Attrition for nearly 5 years. I enjoyed leading but it takes a lot time and effort. I am really enjoying the game now that I just have to focus on myself. I have been ms blood for the last five years so dpsing is nice. I have been improving I believe and I think I will only get better. I am gearing up my rogue. I know I am a little late on that but I plan to keep him geared up and relevant for the rest of the xpan. If a 3rd tank is ever needed or even a 2nd tank for whatever reason I will always step up. I am a team player and look forward to joining you guys. Thank you for your time and take care!

How did you hear about Potent? *

Found you guys on Wowprogress

Tell us a little about yourself. *

My names Keith and I am 29. I am a machinist and enjoy my work even though it can be tedious. I mostly play wow. I do play some fps with my buddies but m+ and my alt keep me busy. I ride dirtbikes as well, been doing that since I was a kid. Riding won't get in the way of raid. I listen to a lot of edm or rock. I used to read but now I'm addicted ebooks. I am a cheery person and tend to troll. I just like having a good time with peeps.
